

CHEVRON RETIREES ASSOCIATION HILL COUNTRY CHAPTER

Wednesday, April 19th, 47 Hill Country Chapter members met at Backwoods Barbecue in Fredericksburg to enjoy some great food and share experiences. After the meal, President Hal Caldcleugh conducted a brief business meeting and Ed Van Reet reviewed the Chapter's healthy financial status.

Following the business meeting, Dr. David Murdy, Internal Medicine, Geriatrics with Baylor Scott & White Clinic in Lakeway discussed the history of COVID, the medical and research response and likely future developments with the disease. It was great information, thank you Dr. Murdy.

Afterwards, Clyde Trickey conducted a drawing for cash and other prizes.

In closing, Hal reminded attendees about the Chapter's lunch, Wednesday September 20th, at the Onion Creek Club, Austin Tx, 11:00 am - 2:00 pm. An invitation for this event will be issued closer to the time.
