2023 Fall Luncheon

I hope everyone is surviving the heat this summer. Good news! the luncheon is **Wednesday, September 20th** at the **Onion Creek Country Club**, out of the heat. Come and join your friends for the 2023 Chevron Retirees Fall Luncheon. The luncheon will begin with a social hour at **11:00 am and lunch at 11:45 am**. Onion Creek Country Club is south of Austin; located 6 miles south of Highway 71 on I-35 at the Onion Creek Parkway exit. As you exit from I-35, go east about ½ mile on Onion Creek Parkway to the entrance of the Country Club at the end of the Parkway. The address is 2510 Onion Creek Parkway; phone number 512-282-2150.

The Onion Creek Club menu includes a choice of three entrees:

- (1) Roasted Chicken with Mojo Sauce
- (2) Blackened Pork Loin with Lemon Aioli
- (3) Three Cheese Tortellini with Alfredo Sauce

All entrees include garden salad, appropriate starch and vegetable, rolls and butter, chef's dessert, water, iced tea or coffee. A cash bar will be available.

Our speaker will be Scott Gidley discussing changes in Medicare but focusing on your questions. Following there will be a short business meeting with remarks by Jerry Lohr the CRA South Texas Vice President.

Weather has certainly been a "hot" topic this summer. For a little fun, who can guess the temperature at 12 noon at the Onion Creek Country Club on September 20th? A prize will be awarded. Put your answer on the attached payment form.

There will be plenty of great door prizes, so come and join the fun with your fellow retirees. If you have a Chevron, Texaco, Gulf or Unocal retiree friend, please ask them if they would like to join our club and attend this event.

The cost of the luncheon will be **\$30 per person**, gratuity is included.

Please reply before Tuesday, September 11th by filling out the enclosed form and sending it with your check to the address shown. Please make check payable to "**HCCCR**". We must receive your registration by September 11th, so please get your registration in the mail as soon as possible.
